

Student Contract for Intermediate Algebra

Student Requirements

To earn the benefits of this contract, a student must meet all of the following criteria.

- 100% average on MyMathLab Homework
- 80% average on MyMathLab Quizzes
- 70% average on Pencil-and-Paper Chapter Exams
- No more than two absences for the entire semester

Student Benefits

Any student who meets all of the conditions listed under “Student Requirements” will be allowed to complete a final homework assignment instead of taking the final exam.

Provided that the student earns 100% on this final assignment, the student will be excused from the final exam and keep the grade he or she had heading into the final exam.

I understand all of the conditions I must meet in order to satisfy this contract, as well as the benefits I may receive.
